Governor’s Presentation of the June 2016 Inflation Report

Document: Current Situation and Outlook for the Colombian Economy (2,19 MB) (Available only in Spanish)
Presentation: Monetary Policy and Accountability Report (409 KB) (Available only in Spanish) Keep in mind
The Monetary Policy Report presents the Bank's technical staff's analysis of the economy and the inflationary situation and its medium and long-term outlook. Based on it, it makes a recommendation to the Board of Directors on the monetary policy stance. This report is published on the second business day following the Board of Directors' meetings in January, April, July, and October.
