Governor’s Presentation of the March 2017 Inflation Report

Presentation: Inflation Report (511 KB) (Available only in Spanish) Video (Available only in Spanish) Press Realease (Available only in Spanish) Keep in mind
The Monetary Policy Report presents the Bank's technical staff's analysis of the economy and the inflationary situation and its medium and long-term outlook. Based on it, it makes a recommendation to the Board of Directors on the monetary policy stance. This report is published on the second business day following the Board of Directors' meetings in January, April, July, and October.
