## Central National Government (CNG)

This section presents two sets of information about income, expenses, interest, fiscal deficit (-) or fiscal surplus (+), and domestic and external funding for central national government (CNG) under two methodologies:

- The first one is a statistics in cash accounting basis. This series includes historical information from the National Planning Department and the latest official data from the Ministry of Finance and Public Credit.
- The second one corresponds to the official statistics, which in addition to cash operations, includes accrual accounting adjustments that were originated under the Extended Arrangement signed between Colombia and the International Monetary Fund in 1999.
