International Indicators - Financial Stability Special Reports - Second Half of 2019

Download (only in Spanish) Keep in mind
The main purpose of these reports is to monitor the vulnerabilities and risks of the financial system. Opinions and potential errors are the sole responsibility of the authors, and their contents do not compromise the Board of Directors of *Banco de la República* (the Central Bank of Colombia).

AUTHORS AND/OR EDITORS Beltrán-Bejarano, Camila Dayana
The Financial Stability Special Reports accompany the publication of the Financial Stability Report, providing a more detailed analysis of certain aspects and risks relevant to the stability of the Colombian financial system.

Publication Date: Friday, 27 of December 2019
This report analyzes the main financial indicators for Central and South America, Dominican Republic and Mexico. In order to assess the situation of the region’s credit institutions this report considers the behavior of their portfolio, risk management, profitability, and efficiency for the period between June 2018 and June 2019.
