Banco de la República Announces Changes in Information Transmission and External Regulatory Circular DCIN-83

Banco de la República Announces Changes in Information Transmission and External Regulatory Circular DCIN-83
During the first semester of 2021, as part of modernization and digital transformation undertaken by the Foreign Exchange Affairs and Settlements Department, there will be changes in the procedures to record international investments. So, there might be some adjustments to the procedures outlined in External Regulatory Circular DCIN-83.
