[News and Publications](#)

Banco de la República co-organized with the International Economic Association (IEA) and *Banco de España* the **WEBINAR Pathways to Gender Equality in Central Banks**, to be held online on **May 18-19, 2022**. This will be a valuable occasion to discuss about diversity and inclusion in the field of economics, specifically in central banks. During the event researchers from central banks and academics will showcase their ongoing research on these topics. In addition to presentations and a discussion panel, the webinar will include a keynote session to be delivered by Sebnem Kalemli-Ozcan (University of Maryland).
