Results of the Survey on the Perception of the Use of Instruments for Retail Payments in Colombia - 2017

Results of the Survey (only in Spanish) AUTHORS AND/OR EDITORS Banco de la República Publication Date: Friday, 1 of September 2017
Banco de la República (the Central Bank of Colombia) has taken specific actions to measure the payment preferences of the people living in the country through surveys taken in several cities. This report corresponds to the third measurement conducted by BanRep's Financial Infrastructure Oversight Department (DSIF) on the use of payment instruments in Colombia.
