AUTHORS AND/OR EDITORS Departamento de Comunicación y de Educación Económica (DCEE) Sección de Educación Económica

This document aims to provide a comprehensive educational framework to encourage widespread adoption of **Bre-B**, Colombia's new instant payments system. Its objective is to propose certain general guidelines to educate customers about the operation, benefits, and reliability of **Bre-B**.

Publication Date: Wednesday, 18 of March 2026
This document compiles the best national and international practices on **economic and financial inclusion** and education. It includes educational principles, values, objectives, target audiences, general guidelines, implementation suggestions, monitoring, and assessment. It also provides a set of basic educational resources on **Bre-B**, including links to tutorials, simulators, and multimedia content, among others. These general guidelines aim to promote the safe and efficient adoption of instant payments in the Colombian society in a coordinated manner, contributing to deepen financial inclusion, stimulate economic growth, and foster competition among financial service providers (Özyilmaz, 2024).

Contents

Introduction
1. Educational Principles, Objectives, and Target Audiences
2. Promotion and Education Stages
3. General Guidelines
4. Banrep Educational Resources
